

It's time for the fifth annual Canterbury Woods Read-a-Thon!

February 18th – March 3rd, 2019

The Read-a-Thon is a fundraiser for the Canterbury Woods Elementary School Parent Teacher Association (PTA). Proceeds from the fundraiser will be used to enhance student, family and staff experiences at the school.

How it works

- Students will collect pledges for either a flat donation or a pledge per reading minute.
- During a two-week period, students will track their reading minutes each day with the help of a parent or teacher (*for our younger students, reading with a parent counts too!*)
- At the end of the Read-a-Thon students will collect the pledges and return the funds to school.
- Use the Reading Log to track minutes read and pledges received.

Prizes

- Everyone that reads and raises at least \$5 will receive a token of appreciation.
- Any student that reaches the goal of 240 minutes read and \$50 in pledges will be entered in a drawing to win a Kindle Fire (*donated by The Bauernshub Real Estate Team*).
- The classroom with the most participation will win the Read-a-Thon trophy to be displayed in their classroom for the rest of the school year.
- The school goal for total hours read during the Read-a-Thon is 80,000. The entire school will receive a fun experience if the goal is met!

All pledges are tax deductible donations to the Canterbury Woods PTA (Tax ID #52-1289100). Pledges can also be paid online at the CWES PTA website (cwespta.org) via Paypal for any out of town family and friends that want to participate.

Pledges should be collected before the Read-a-Thon begins on Monday, February 18th. Reading will continue until March 3rd and **pledge payments will be due Friday, March 8th**.

Event

This year we will conclude with a new event! **Family Reading Night** will be on **March 1st** from 6-8pm in the CWES Library.

- Bring a blanket and get a spot on the floor; table seating is limited.
- Buy pizza in advance by returning the completed back of this form with payment. Make checks payable to "CWES PTA".
- Please volunteer to help using the Sign-Up Genius in the PTA News You Choose email. 6th Graders may volunteer to earn service hours.
